## Time to rest, get up and walk

My dear brothers and sisters in Christ of the great family in the United Methodist Church of Millian, we have at the door events of great importance for the life of our church; but let me focus on the celebration of Lent, which invites us to rest and prepare for forty days for what we call Holy Week, beginning with Holy Thursday, when Jesus dines with His disciples and marks us with the washing of feet, and on Friday it is the sacrifice of Jesus for us all, and culminate in a glorious resurrection. But we cannot avoid or forget all the stages in this process.

The Rev. Dr. Zina Jacque invited us to rest is an invitation, so that we can be ready for what God is calling us, rest and reflect, and be ready to listen to the voice of God for us as a family of faith in Millian.

Precisely at this time we are already at the door of having within reach of all the strategic plan in which we have been working since last year. Let us be ready in prayer, fasting and new energies for the challenge that God has for us.

I am very grateful to all the

members of the advisory group who agreed to perform this task and faithfully in prayer we have completed this work, which has sometimes been painful but certainly under the guidance of the Holy Spirit.

To finish I leave another contribution of the Rev. Dr. Zina Jacque that will help us enormously in this process of 40 days of Lent.

As we walked with "it's enough"

The number 40 is used almost 150 times in the biblical text. It means, among other things, **sufficient**.

- 40days and 40nights as Noah and his family watched for the arc.
- Moses spent 40 days in Mt. Sinai receiving God's guidance.
- Joshua and those sent to spy out the promised land spent 40 days seeking and understanding regarding the place they were to receive as an inheritance
- Coliath Stood in the valley between Socoh and Azekah and threatened Saul and all Israel for 40 days.
- Ezekiel stretched out on his side for 40 days,

as he bore the sins of the house of Judah.

- Jonah cried out for 40 days calling Ninevah to repentance.
- Jesus stayed 40 days in the wilderness, alone, tempted and tried.
- The number of days from the time of Jesus resurrection until his ascension was 40 days.

We have 40 days to:

Rest

Rise

Walk

Into the hope and love that the one we follow has promised.

## SAY YES TO LIFE

Each day is a gift to you so enjoy it and say yes to life. The clouds vanish when you see yourself as the beautiful person you are.

The wind of circumstances change when you greet the world with a radiant smile. Remember when there is a hill to be climbed there will be strength to climb it.

Your most valuable possession is your attitude, with it you win or lose. When you think like an overcomer and feel like an overcomer, you will overcome. You're in charge, so spend less time fretting and more time laughing. Your life will sparkle when you learn the power of love.

Do all the good you can as

much as you can, the best you can.

Live a full life and live it enthusiastically and wisely Give of yourself unselfishly and be a blessing to others Leave a fragrance of love wherever you go to everyone you meet.

Fill your mind with thoughts of peace, joy and hope. Make gratitude a part of your day and give thanks for your blessings.

Acknowledge your strengths and work on your weaknesses.

Begin your day with prayer as part of your daily routine Leave yesterday behind and live in the now.

Learn from your mistakes and improve as you go.

Turn your struggles into stepping stones.

Above all, accept yourself, like yourself, and say yes to life!

To make it easier to say yes to life, say yes to a Stephen Minister. By saying yes to life and yes to a Stephen Minister, you will be taking control of your life as you enter into a Christian caring relationship. Please consider taking advantage of this opportunity. You will give yourself the best chance of succeeding.

## PRESCHOOL

It looks like Spring may be making an early appearance this year! If that is the case, we may go an entire school year without a snow day! This would be a big change from the terrible blizzard of January 2016 which had all schools closed for an entire week! March is a busy month for the preschool teachers. They write evaluations and hold conferences with families for every child in the school. The staff will also be attending our annual training session, this year's topic is positive disci-

pline. We'll learn fun and creative ways to "motivate and encourage students to do the right thing"! The preschool has been blessed again this year with the Maryland State Department of Education Non-Public Schools grant, totaling over \$5000! These funds will be used to purchase classroom materials and resources that focus on science, social studies and non-fiction texts as well as continuing to diversify our school library.

There is always something new and exciting happening at

the preschool! Please feel free to come by and visit our classrooms anytime, it is joyous place!

Preschool Director*

## Welcome

Roberto Villeda is a young and multicultural artist based in the Washington, D.C. area. Starting from the very young age of 3, he found the keyboard to be his channel of both expression and worship. Coming from a family with a musical background made it so that Roberto was exposed to a considerable variety of music. All of the listening he did, even as a child, helped him develop an ear that would allow him to pursue many different styles of musical language. Using the ability to tastefully apply these styles to worship music – be it hymns or contemporary worship songs – Roberto is able to augment the energy of the service in order to keep the congregation interested and pleased.

Having been raised within the Christian church, Roberto became familiar with the different musical traditions and tastes of many protestant denominations. After watching his father play organ for many years, he decided to take advantage of the information he had gathered and began working as a church organist at the age of 14. It was around this time that Roberto decided that he would minister through his music for the Glory of God.

Thanks to God's grace, Roberto has lead both an instrumental and vocal career that has taken him to perform at venues such as Carnegie Hall, Strathmore Hall, and the Pentagon. He is currently on a full scholarship at Towson University, pursuing his Bachelor's Degree in Music Performance with a focus on Organ and Jazz/Commercial Piano. In addition to his work as a performer, Roberto is currently employed by Prince George's County Public Schools and is on faculty at Northwestern High School's Visual and Performing Art's Magnet Program.

Just a reminder that Millian's Senior Group meets on the 1st and 3rd Thursday of the month for a brief meeting and a time

of fellowship. Come and join us, bring your lunch ---dessert and coffee or tea will be served by one of the members. Our next

## NEWS FROM MILLIAN'S ADVISORY COMMITTEE

The Advisory Committee is preparing a strategic plan to direct Millian's worship and mission programs in 2017, and we want your input. Below is a questionnaire seeking your opinion concerning our current worship ministry. The questionnaire is being distributed at the Sunday worship services, but if you

prefer you may also fill out the questionnaire below and return it to the church office. You should fill out a questionnaire for yourself only once, but each member of your family is invited to answer the questionnaire personally as well and return it to the church office. Your opinions are important to us as we seek

to plan the strategy for moving Millian forward in the coming year. Thank you for your participation. The Advisory Committee

February 5, 2017

Dear Millian friends,  
After 50 years on the membership rolls at Millian, Martha (or Bert, for those of you who know her as that) and I have transferred our membership to Calvary United Methodist Church in Frederick, much closer to our residence of the past 18 years. Millian will always be in our hearts and prayers as a significant ministry in our respective faith journeys; but, as Martha is no longer able to be active and I wish to become increasingly so at Calvary where I have been attending worship for the past two years, it is time for us

to make this administrative move. After all, despite sentiments, our faith journeys are really about discipleship rather than membership in an organization. We hope to continue to enjoy the friendship of so many among you, of course, and will continue to pray for your ministries in the Wheaton Woods community. We are thankful also for your prayers (especially for Martha these past few years), your presence (for so many years in our lives), your gifts (of friendship and caring), your service (in the ministry of our Lord), and your witness (as it has inspired and enriched our faith). May God continue

to bless each of you and your families!  
Your sister and brother in Christ,

Martha and Paul Nelson

### SERVING IN THE MILITARY OVERSEAS:

## Tiempo de descansar, levantarse y caminar

Mis queridos hermanos y hermanas en Cristo de la gran familia en la Iglesia Metodista Unida de Millian, tenemos a la puerta eventos de gran importancia para la vida de nuestra iglesia; pero déjenme enfocarme en la celebración de cuaresma (lent), que nos invita a descansar y prepararnos por cuarenta días para lo que llamamos semana santa, comenzando con el jueves santo, cuando Jesús cena con sus discípulos y nos marca con el lavado de pies, y el viernes que es el sacrificio de Jesús por todos nosotros, y culminar con una resurrección gloriosa. Pero no podemos eludir ni olvidar todas las etapas en este proceso.

La Rev. Dr. Zina Jacque nos invito a que descansando es una invitación, para que podamos estar listos para lo que Dios nos esta llamando, descansemos y reflexionemos, y estemos listos para escuchar la voz de Dios para nosotros como familia de la fe en Millian.

Precisamente en este tiempo estamos ya a la puerta de tener al alcance de todos el plan estratégico que se ha venido trabajando desde el año pasado. Estemos listos en oración, ayuno y nuevas energías para el reto que Dios tiene para nosotros.

Agradezco enormemente a todos los integrantes del grupo asesor (advisory group) que accedió a realizar esta tarea y fielmente en oración hemos culminado este trabajo, que algunas de las veces ha sido doloroso, pero sin duda bajo la dirección del Espíritu Santo.

Para culminar les dejo otra aportación de la Rev. Dr. Zina Jacque que nos ayudara enormemente en este proceso de 40 días de cuaresma. Como caminamos con "es suficiente"

El numero 40 es usado casi 150 veces en el texto bíblico. Significa, entre otras cosas, **suficiente**.

\* 40 días y 40 noches que Noé y su familia vigilaron desde el arca.

\* Moisés paso 40 días en el

Monte Sinaí recibiendo de parte de Dios, dirección y las leyes, para la gente de Dios.

\* Josué y los enviados a espiar la tierra prometida pasaron 40 días buscando y entendiendo el lugar que iban a recibir como herencia.

\* Goliath se paró en el valle entre Socoh y Azekah y amenazó a Saúl y a todo Israel por 40 días.

\* Ezequiel se hecho a su lado durante 40 días, al llevar los pecados de la casa de Judá.

\* Jonás les grito por 40 días, llamando a que se arrepintieran los de Nínive.

\* Jesús estuvo en el desierto por 40 días, solo, tentado y probado.

\* El numero de días desde la resurrección de Jesús hasta su ascensión, fueron 40.

Tenemos 40 días para:

Descansar

Levantarte

Caminar

En la esperanza y el amor que el que seguimos ha prometido.
